Dear Families and Caregivers,

I am writing to update you on some necessary changes to the school calendar due to the upcoming World Cup Games being held at Gillette Stadium. After consulting with many of our Member and Host School Districts, listening to advice from the State and BICO student experience with the April Practice Game, we anticipate that this large scale event happening in and around the area where our many of our students attend school and live will cause huge delays in transportation home from school on the days of the games. After much consideration, I have determined that in the interest of student safety we will be adjusting the schedule for Tuesday, June 16, 2026 to an early release day for all BICO Students. Students will be dismissed at their normal early release time.

There are additional World Cup Games scheduled at Gillette Stadium on Tuesday, June 23, and Friday, June 26, 2026. All programs remaining in session will be dismissed with their usual early release schedule on these days. Per my previous communication about making up snow days, June 29 and June 30 are already early release days at the usual time.

BICO staff will be communicating with sending school districts as well as transportation companies. I apologize for any confusion or inconvenience this may cause. Thank you for your understanding.

Sincerely,

Jeanne M. Sullivan, M. Ed.
